

ALEXMO FACE PRIMER

So that your make-up lasts all day long, we have developed this recipe for you. The plant extracts have a calming effect and help stressed skin. Silk-Gel forms a protective, breathing barrier, oligogeline with its smoothing texture creates a pleasant skin feeling and sodium sulphite prevents the pigments from darkening. The make-up does not appear blotchy and lasts the whole day..... and if necessary, the whole night.

Ingredients 50g

A)
41,30g Water
0,50g Glycerine
0,05g Sodium Sulfite
2,50g Silk-Gel, vegan
1,50g Emulwitor 375

B)
0,62g Oligogeline® PF
0,12g Xanthan transp.
1,25g Esteröl sensolv

C)
1,00g Commiphora Mukul CO2-
Extrakt
1,00g DEFENSIL®
1,00g Leucidal Liquid® SF
0,16g A-Polymer XT
Milchsäure

How to do:

01

Stir phase A) and heat to 70°C.

02

Mix phase B) as well and add COLD to phase A).
Now homogenize at high speed to a milky fluid.

03

Cool to 40°C and only then add the preservative and the plant extracts. Adjust the consistency with A-Polymer XT and if necessary regulate the pH value with lactic acid from 4.8 (mature skin) to 5.5.

Balance Color can also be wonderfully worked into this Face Primer. Simply add the desired concentration to the 40°C warm emulsion.
